

Greetings all...

We're all so thankful that so many folks participated in Monday's discussion regarding the 150th reunion celebration. Many thanks to Charlene Lowe, Barbara Harley, and others for calling a number of individuals so that they could be a part of our meeting.

We have tried to make contact with so many over the last several months, but need to do more...We are hoping and praying that more folks will see the need to become involved, call, email, text, and somehow contact family members, former neighbors, and friends, and old classmates all in an effort to become a part of this endeavor to reunite during the celebration, but also to see the needs that exists in Liberty Hill.

We have so much work ahead of us, but so very pleased that progress is being made.

I have listed a few of the suggested committees needed for our anniversary celebration reunion as well as project programs beyond September. We need the input, skills, expertise, and wisdom of everyone who is a current resident and or has been a part of Liberty Hill!!!!

Please make changes, deletions, etc. as you deem necessary.....I am sure that there are other committees needed...

Remember, this is a work in PROGRESS!!!! If you see your name listed as "Chair", this is because of the work and suggestions that you have already put in in regards to the specific committee or was asked to head that group.

We need additional "Chairs". Prayerfully, others will be led to take on the responsibilities of the tasks involved and begin to work.

So far, there are 7 vacant committees...

REMEMBER, THIS IS JUST A SUGGESTED LISTING.

Once the listing is finalized, we will be able to place it on a spreadsheet, etc. as an invitation for interested individuals to sign up to begin the work within the committees as they see fit...

PLEASE GIVE FEEDBACK!!!!

Blessings,

Hester
